The Buildings & Grounds

Dear Burt:

STATINTL

I have seen the first set of color prints and the 46 slides which, according to Mr. [REDACTED], represent "the best of Burt's collection." The photography is, indeed, excellent, and I wanted you and your colleagues to know that I appreciate the special efforts taken on your part.

I intend to ask the Fine Arts Commission to review the photos and will leave to them the identification of those photos most appropriate for display. Meanwhile, all of the photography will be made part of the archives to show evolution of the building and grounds over the years.

Thanks again. I'm looking forward to the winter collection.

STATINTL

Faithfully yours,

[REDACTED]
